Re: Response to your Correspondence Dated  
November 19, 1996  
Quarterly Report 9/30/96

Dear Ms. Carothers:

Thank you for your assistance in discussing the issues contained in your letter.

Enclosed, please find amended copies of Schedule A for the five (5) individuals cited in your request. The computer key punch improperly listed the second receipt for the Primary instead of the General election.

Enclosed please find copies of the correspondence sent to confirm in writing this allocation. Upon receiving the signed statements, I will forward them to you.

I am enclosing an amendment to the Austin Sheinkopf item as well as the 10/1/96 & 10/16/96 Schedule D amendment to continue the correction of the Austin Sheinkopf correction.

Also, enclosed please find copies of letters sent to individuals requiring information as to employment as well as the response card used by the committee for an initial solicitation. As we have disclosed in the past, the committee sends a stamped, self-addressed envelope for its followup on all required contribution information.

Because we use a computer system, we check to determine if any of this information has been previously submitted. We will revise the appropriate Schedule A pages upon receipt of this information.
